

I am a lifelong resident of Hanska. I attended grade school here and graduated from New Ulm High School in 1975. I was one of the original 8 c-store employees when it was built in 1992. In 1996 I was promoted to the C-Store Manager. My Spouse Richard and I have lived in what used to be my father's house for 33 years and raised our 2 children there. I have a daughter, Krista, who is an RN at Sleepy Eye Hospital. I also have a son Ben who manages a fertilizer plant in Minooka IL. I also have 2 older step children, and 4 grandchildren. In spare time I go to auctions, garage sales, estate sales and thrift shops looking for interesting and rare items for the business I run out of my home on the weekends called Whimsy and Wonder.
